Plan and draw your route to school

Draw a route or map showing the journey between home and school or create an imaginary route. What might you see along the way?

1. What checks do you need to make on your bike before you start your journey?

2. What hazards might your see on your journey to school?

1.

2.

3.

4.

5.

6.

Then draw them on your map.

3. Share your route plan to school with a partner and explain what you will have to do to avoid the hazard safely.

4. What do your need to remember to do with your bike and equipment when you arrive at school?
